

# Abbeyfield welcomes you safely

In order to ensure the safety of our residents and staff and reduce the risk of the spread of COVID-19 we have adapted our process for new admissions to our houses.

## Admissions process

### Viewings

Pre-booked live video tour with house manager

### Assessments

Pre-admission assessment done by post, email or video call

### Admissions

A screening form to be completed on arrival to confirm the new resident is symptom free

### Self-isolation

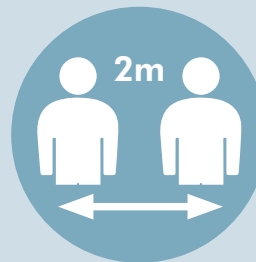

There is likely to be a period of self-isolation in accordance with the current regulations

### Moving in

Please ensure you have arrangements in place for cleaning, packing, transporting and unpacking your belongings. All clothing to be washed before being brought in

## COVID-19 safety measures

2m social distancing principles

Good supply of PPE

Informed staff provided with the latest government guidance

Robust cleaning and sanitising measures

Regular hand washing and alcohol hand gel available

Socially distanced, safe visiting options

**We look forward to welcoming you!**
